

***Hyde Park Middle School
Academy of Science and Mathematics***

“Learning for Mastery”

**Summer Camp
August 11 - 15**

CAMP GOAL

The focus of our summer camp is to help new Hyde Park students feel more comfortable on the first day of middle school. We understand the transition from elementary to middle school can be scary, daunting, exciting, and formidable all at one time. The Hyde Park summer camp is designed to help make this transition easier for our new Panthers.

WHAT WILL I LEARN?

In order to allow you to participate in all aspects of student life at Hyde Park, you will attend classes in math, science, reading, English, social studies, and physical education. You will have your first chance to learn the Hyde Park way. You will explore some of the changes happening in our world and begin to understand why they occur. What changes? You will have to come to camp and “They Who Shall Not Be Named” will share the secrets with you. You will get to experience transitions between classes and become familiar with the layout of the building. We will end each day with an explorations class which will include adventures such as mind mapping, smart art, bottle rockets, forensics, mystery solving, poetry, or tessellations.

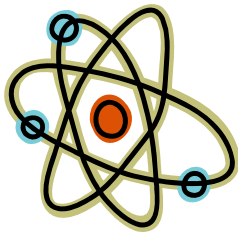

WHO CAN ATTEND THE CAMP?

Enrollment is on a first-come, first-served basis to any recently enrolled student planning to attend Hyde Park Middle School during the 2014-2015 school year.

WHAT IS THE COST TO ATTEND THE CAMP?

The cost of the five (5) day camp is \$150.00 for registration prior to June 18, 2014. After that date the cost is \$175.00. This fee covers the following:

- Camp T-Shirt
- Field trip to the Atomic Testing Museum*
- Afternoon snacks
- Academic instruction
- Project supplies and materials

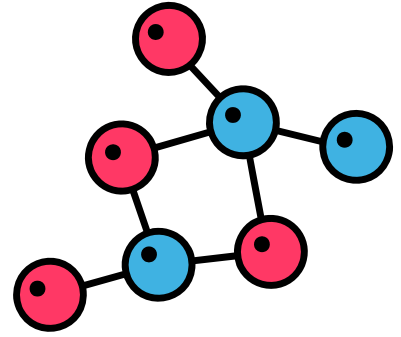

WHY IS SUMMER CAMP SO MUCH FUN?

This summer camp will provide opportunities for students to explore their new environment before the first day of school and introduce them to our teaching and learning methods. The summer camp will promote low stress / high energy hands-on and minds-on activities for campers. Campers will take part in great experiences, allowing them to really explore the unique opportunities within the school.

*The field trip is dependent upon our ability to secure bus transportation.

GENERAL FORMAT

7:00 AM - 7:20 AM	Exciter - Cafeteria
7:25 AM - 8:30 AM	Session #1
8:35 AM - 9:40 AM	Session #2
