

## Important Information

**T-SHIRTS:** Each child will receive a Forensics camp t-shirt.

**BAG LUNCH:** Please send a bag lunch and a drink marked with your child's name each day. Please do not send perishable items (milk, mayonnaise, etc. ) since refrigeration may not be available.

**NOT ALLOWED:** MP3 players, trading cards, video games, toys, or skates are not permitted at camp. They will be confiscated and returned to the parent at the end of the day. Valuables and money should be left at home.

**WHAT TO BRING:** If your child has a hand-held device that can access the internet and is capable of GPS navigation, they may bring it for camp. Please understand that your child will be bringing this at their own risk. The instructor/school is not responsible for lost or damaged items.

### CAMP RULES

1. **Speak for yourself...not for anyone else.**
2. **Listen to others...then they will listen to you.**
3. **Avoid put downs...who needs them?**
4. **Participate in group activities and stay with the group.**
5. **Show respect...every person is important.**
6. **Take charge of yourself....you are responsible for you!**
7. **Have fun!**

Las Vegas, NV 89107

If you have any questions please call Hyde Park MS at 799-4260 between 8AM and 2:00PM or contact:

Mrs. Andres

## Our Vision:

To engage students with real-world experiences while enabling them to explore the tools of forensic science.

## FORENSIC SCIENCE DAY CAMP DESCRIPTION

This is a five-day fun and creative learning experience for kids to attend during the summer. Kids will work in small groups to investigate fingerprints, hair and fibers, blood and blood spatter, handwriting analysis, bites and impressions, tool marks and soil samples. In addition to having fun, participants will apply information learned to crime scene investigation scenarios and court cases.

Camp is open to students entering the 6th grade.

No previous experience is necessary.

- Students will work in groups for most activities. They are expected to work cooperatively and share well.
- Students will receive structured lessons followed by lab activities to practice CSI skills.
- A light snack will be provided each morning.
- Students should bring a sack lunch daily.
- Students should be motivated and mature enough to handle the content and stay focused
