

Hyde Park Middle School's Family Technology Night

Thursday,
September 13, 2018

Session Options (Choose 5)

Session Title	Presenter/Location
<p><u>“Old School” Study Tricks</u> Creative ways to enhance reading, vocabulary, and writing skills that don’t require a computer.</p>	<p style="text-align: center;">Bonnie Karch Room 204</p>
<p><u>Your Digital Footprint</u> Everyday, whether we want to or not, most of us contribute to a growing portrait of who we are online; a portrait that is probably more public than most of us assume. It’s important to know what kind of trail you’re leaving, and what the possible effects can be.</p>	<p style="text-align: center;">Lacee Preciado Room 205</p>
<p><u>College Board</u> It’s never too early to start thinking about college, and College Board is a very useful tool to start the planning process.</p>	<p style="text-align: center;">Natalie Fragiadakis Room 206</p>
<p><u>Edmentum for ELA and Math</u> Hyde Park is using Edmentum school-wide this year to benchmark, remediate, and enrich all student learning. Students will be spending at least 30 minutes a week on the program in both math and ELA classes. This resource creates individualized paths for each student, and can be accessed at home for extra practice.</p>	<p style="text-align: center;">Anna Belknap Room 208</p>
<p><u>Managing Social Media to Improve Student Focus</u> Media and digital devices are an integral part of our world today. This session will provide tips to help families manage the ever changing digital landscape</p>	<p style="text-align: center;">Robin Hill Room 803</p>
<p><u>Library Resources/Note Taking Skills</u> Ensure your child is viewing accurate, authoritative, current, complete, and objective information during research by using databases instead of search engines. This session will show you which databases your child has access to at Hyde Park.</p>	<p style="text-align: center;">Brian Pawley Library</p>
<p><u>Magnet High School/High School Prep</u> This session will provide the opportunity to answer your questions about high school preparation, magnet applications, and coursework.</p>	<p style="text-align: center;">Karen Waggoner Room 305</p>
<p><u>Math and Science Resources</u> This session will introduce parents to the online science textbook, as well as several online math programs being used in the school. These programs are excellent tools for extra help or extra enrichment at home.</p>	<p style="text-align: center;">Irais Pineda Room 306</p>
<p><u>Think Outside the Box Apps</u> Apps to help your child with organization and to take their projects and presentations to the next level.</p>	<p style="text-align: center;">Heidi Principe Room 308</p>
<p><u>Options are continued on next page</u></p>	

<p><u>Literary Resources</u> There are thousands of reading resources online. This session will introduce you to some of them, including access to free online books and short stories.</p>	<p>Teresa Boucher Room 406</p>
<p><u>Google Classroom and Calendar</u> See Google Classroom through the eyes of your child. This session will take you through what your child sees and does as a member of a Google Classroom community.</p>	<p>Suman Tandon Room 408</p>
<p><u>Mentoring and Motivation</u> This session will cover effective ways to mentor and motivate your middle school student, while still building their independence.</p>	<p>Mario Wolthers Room 409</p>
<p><u>Transitions in Education: Thriving in Middle School</u> Middle School children may be experiencing many challenges during the year, both academically and personally. They may be starting more strenuous course work while also forming more social connections. This workshop will provide ideas to help support your child's personal and academic development. *This session is one hour in length.</p>	<p>CCSD FACES Room 801</p> <p>This session is one hour in length and runs from 5:00 - 6:00 only</p>

Hyde Park MS is now on Remind.com

Stay up to date on important announcements at Hyde Park MS via text message. The administration of Hyde Park is now using Remind to send out important notifications about events at the school.

Follow the instructions below or stop by the office for assistance.

Open your text **messaging app**, in the **number(name)** field enter the number: **81010**, in the message field type: **@hd39d7**

If done correctly you will receive a notification that you have joined the group.
Messages are sent one way only, please do not reply.

The evening's schedule is printed on the back of this program.

**Hyde Park's Title I
Family Technology & Resource Night
Thursday, September 13, 2018
5:00 – 7:00**

SCHEDULE OF EVENTS

5:00 to 5:20	Session 1 Parent's Choice
5:25 to 5:45	Session 2 Parent's Choice
5:50 to 6:10	Session 3 Parent's Choice
6:15 – 6:35	Session 4 Parent's Choice
6:40 – 7:00	Session 5 Parent's Choice

Please choose 5 sessions to attend. Each session will last approximately 20 minutes, with the exception of the Transitions in Education: Thriving in Middle School class; this class will be one hour in length and will run from 5:00 – 6:00. **We really encourage our 6th grade parents to attend this class.** If this class is one of your choices, you will also choose two of the shorter sessions.
