As part of the reorganization of the Clark County School District, our school will form a School Organizational Team that includes 4 parents and guardians (2 parents representing our magnet population and 2 parents representing our neighborhood population). All parents and guardians will have an opportunity to vote for members through a Google Form before September 9, 2022. Your input is important to the success of our school and students. Please take time to consider how you can be involved in this process and make your voice heard at our school!

What is the role of the School Organizational Team?

- Provide input on the school performance plan and budget.
- Provide continued advice to the principal in carrying out the school plan.
- Assist with the selection of the next principal when there is a vacancy.

What are the requirements of Team members?

- Begin attending training and meetings on September 28, 2022.
- Serve on the team through September 30, 2023, unless your child no longer attends the school.
- Attend meetings at least once per month, outside of school hours.
- Make decisions with the entire school population in mind.
- Work collaboratively and attempt to reach consensus with the team.

Parents and community members who are not employees of the Clark County School District will not be defended by the District if a lawsuit is filed against you because of what you say or do while participating as part of the school organizational team.
